

February 19, 2009

Dear Editor/TV Writer:

There's plenty of fooling this April as **Starz** continues to air new episodes of its original comedies "Head Case" and "Party Down." Alexandra Wentworth is the irrepressible Dr. Goode with her "who's who" of celebrity clients, and the "Party Down" catering crew of Hollywood wannabes are still in search of that elusive goal of fame and fortune.

**Encore** has a weekend **Sci-Fi Invasion**, a marathon of out-of-this world films beginning April 10. **Denzel Washington** is in the "spotlight" with eight films including *Mo' Better Blues*, *The Bone Collector* and *The Hurricane*. The channel also features "Bond Unbound," 007 **James Bond** films every Saturday.

The "Starz Saturday Premieres" presents *Never Back Down* (4/4) starring **Sean Faris**, **Amber Heard** and **Djimon Hounsou**; *You Don't Mess With the Zohan* (4/18) starring **Adam Sandler**, **John Turturro** and **Traitor** (4/25) starring **Don Cheadle**, **Guy Pearce** and **Jeff Daniels**.

**Encore Westerns** gives a "Six-Gun Salute" to **Lash La Rue** with six films airing on Saturday, April 25, and also presents four films from Gene Autry, as well as the classic TV Westerns "The Gene Autry Show," "Cheyenne" and "Maverick."

**Starz Kids & Family** goes on "Spring Break" week with double features starting Monday April 6.

If you need additional information, art or descriptions of the films, please don't hesitate to call. You can also find the highlights reports, press releases and high-resolution images for download on our press site at <http://starz.mediaroom.com>.

Sincerely,

Steve Waldo Belgard

Starz is where the new movies live. Don't just see the big movies, experience them.

**Starz Saturday Premieres:** All new hit movies premiering every Saturday night at 9 p.m.

- *Never Back Down* 4/4 – (Sean Faris, Amber Heard, Djimon Hounsou)
- *First Sunday* 4/11 (Ice Cube, Tracy Morgan, Malinda Williams)
- *You Don't Mess With the Zohan* 4/18 – (Adam Sandler, John Turturro, Emmanuelle Chriqui)
- *Traitor* 4/25 – (Don Cheadle, Guy Pearce, Jeff Daniels)

**Starz Originals:**

**"Head Case":** Fridays at 10:00 p.m.

Dr. Elizabeth Goode is back in session. The unscripted series returns with an all-star lineup of celebrity guests March 20 at 10:00 p.m. "Head Case" centers on Tinseltown's "shrink du jour" Dr. Elizabeth Goode (Alexandra Wentworth) whose days are filled with a who's who from the world of entertainment, sports and music. Those arriving for a mental tune-up are: Playboy kingpin Hugh Hefner with girlfriend Bridget Marquardt, Spice Girl Geri Halliwell, SNL™ alum Kevin Nealon, "Survivor" host Jeff Probst, TV reality stars Tori Spelling and hubby Dean McDermott, superstar songstress Macy Gray, "CSI New York's" Melina Kanakaredes, WWE® star Dave Batista™ and many more.

**"Party Down":** Fridays at 10:30 p.m.

"Party Down" follows a team of Los Angeles cater-waiters -- a sextet of dreamers and wannabes -- stuck working for tips while hoping for their "big break." Having opted out of "normal" lives of traditional jobs and nuclear families, our crew of misfits -- with the exception of the ruefully jaded Henry (Adam Scott) -- pass the days assuming that their time in catering is just a brief place-holder before success inevitably transforms them from unremarkable unknowns into "Somebodies." Each episode of this half-hour comedy finds our hapless team working a new event -- from sweet sixteen affairs to mobster acquittal parties to porn awards to gay weddings -- where they inevitably get tangled up with the colorful guests and the absurd dramas of their lives. "Party Down" is, ultimately, a comedy about waiting. About the misadventures you endure while waiting on others. And about the life you lead while waiting for your real one to start.

The series stars Ken Marino, Adam Scott, Jane Lynch, Ryan Hansen, Martin Starr and Lizzy Caplan. The series is created and executive produced by John Enbom, Rob Thomas, Dan Etheridge and Paul Rudd.

Encore provides movies, all movies and nothing but movies. The greatest selection of movies you want to see and see again.
